ABOUT SANS LIEGE

Sans Liege is my relentless search for independence. Equally aligned with the freedoms of the New World and the heritage of the Rhône Valley, I am careful not to hold too closely to either. Tending fruit in vineyards that have captured my heart from Paso Robles down to Solvang, these sites speak for me and I for them; the only partners now on this path I tread.

- Curt Schalchlin, Winemaker

TASTING NOTES

As you follow her through the field you watch her golden hair wave against the matching tall grass. Aromas of **drying wildflowers, river rock & orange blossoms** fill the late summer air. She stops and smiles, leading you onto a clandestine picnic blanket set with **white nectarines, croissants, lemon sparkling water** and **sliced honeydew**. You relish these moments alone with her above all else.
