TASTING NOTES

Stare off into a Pacific Coast Sunset from a boardwalk lined with lilacs, and scented of melted gin and tonic sno-cone... Across the ocean your sight reaches the far East, where **mandarin orange slices**, **lemongrass** and gunpowder **green tea** turn the fun up a notch to richly exotic. Fruity with a fresh acidity, this wine blooms both delicately and a touch daringly, like orchids.

ABOUT GROUNDWORK

Groundwork is all about the fundamentals. Putting to use the empirical knowledge he has gained from making wine for his first label, Sans Liege Wines, Curt Schalchlin seeks to bring his experience to a new set of wines that embrace the soul and simple living of the Rhône. Groundwork is built upon Curt's comfort and confidence as a winemaker, instructing him to trust in the fruit, the vineyards, and his own rich experience as guides.
